

## Systemic Functional Linguistics Exploring Choice

By -

Cambridge University Press. Hardcover. Book Condition: New. Hardcover. 532 pages. Dimensions: 9.1in. x 6.1in. x 1.3in. This stimulating volume provides fresh perspectives on choice, a key notion in systemic functional linguistics. Bringing together a global team of well-established and up-and-coming systemic functional linguists, it shows how the different senses of choice as process and as product are interdependent, and how they operate at all levels of language. Taking an interdisciplinary approach, it covers a range of linguistic viewpoints, informed by evolutionary theory, psychology, sociology and neuroscience, to produce a complex but unifying account of the issues. This book offers a critical examination of choice and is ideal for students and researchers working in all areas of functional linguistics as well as cognitive linguistics, second language acquisition, neurolinguistics and sociolinguistics. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Hardcover.
