Dancing with Butterflies uses the alternating voices of four very different women whose lives interconnect through a common passion for their Mexican heritage and a dance company called Alegra. Yesenia, who founded Alegra with her husband, Eduardo, sabotages her own efforts to remain a vital, vibrant woman when she travels back and forth across the Mexican border for cheap plastic surgery. Elena, grief stricken by the death of her only child and the end of her marriage, finds herself falling dangerously in love with one of her underage students. Elenas sister, Adriana, wears the wounds of abandonment by a dys-functional family and becomes unable to discern love from abuse. Soledad, the sweet-tempered illegal immigrant who designs costumes for Alegra, finds herself stuck back in Mexico, where she returns to see her dying grandmother. Reyna Grande has brought these fictional characters so convincingly to life that readers will imagine they know them. This item ships from multiple locations.
