

Behold the Eye: Cerulea

Filesize: 2.89 MB

Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

(Prof. Loyce Runolfsson Jr.)

Sun Break Publishing, United States, 2008. Paperback. Book Condition: New. Jade Tabares (illustrator). 203 x 132 mm. Language: English . Brand New Book ***** Print on Demand *****.Veronica Tabares continues her Behold the Eye trilogy with this second installment: Behold the Eye: Cerulea; bringing together the world of dreams and the allure of adventure into an imaginative journey of mystery and danger. Through the use of diary entries and traditional narrative, Tabares's creative and ingenious storytelling shows how everyone has a gift, even if they don't take full advantage of it, and that even between worlds, where the veils are blurred, friends matter and hope is never lost. Behold the Eye: Cerulea transports the reader from the familiar world of everyday concerns to the extraordinary world of imagination, where anything can happen, and often does. Told in a familiar, contemporary voice and written in a narrative style reminiscent of modern, young-adult classics like *A Wrinkle In Time*, Tabares's Behold the Eye: Cerulea conveys an uplifting message for readers of all ages that both inspires and entertains. Ages 9 and up.
