Filesize: 4.06 MB

### ***Reviews***

*This ebook will never be effortless to get started on studying but extremely fun to read through. It is actually written in easy phrases and never difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Thomas Hardy: A Critical Study Mr. Hardy has kindly given me permission to use such quotations as I required for this study of his work. But it should be understood that the book contains nothing whatever that may be called authorized ; it is simply my own reading of Mr. Hardy s stories and poems. Biography was no part of my intention. The book will scarcely appeal to those who are not already acquainted with its subject; but fortunately it is not extravagant to assume a very general knowledge of the works here considered. It was therefore easy to dispense with full descriptions of narrative material, with analyses of plots, and so on. I have simply attempted to criticize my private belief that Thomas Hardy s books are among the greatest things in our modern literature; and, more generally, to discuss not so much their exact place, as the way they utter certain characteristics of modern consciousness. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
