Outskirts Press, United States, 2008. Paperback. Book Condition: New. 211 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.For nine-year-old Billy, becoming a superhero is not going to be easy. Becoming a Superhero takes readers (8 - 12) back to World War 11 and its aftermath, as they look inside the life of Billy Smith, a 10-year-old living in a Pennsylvania coal mining town. Billy decides he wants to become an American superhero, yet the choices he makes often have disastrous consequences. The story is a tale of morals and values. A first-person narrative of a young boy, caught between the innocence of childhood and the responsibilities of growing up. Each page is like having Grandpa tell stories of what life was like growing up in the olden days. The story is semi-autobiographical, based on published poems of my childhood. I am currently a college instructor teaching psychology and education courses at Ocean County College in New Jersey.
