Battery Press. Book Condition: BRAND NEW. BRAND NEW Oversized Hardcover in Dust Jacket - 368pp - 93 Photos and Drawings - Maps - Located only 300 miles from Kyushu, Japan, Okinawa was a vital communications center linking Japan with Formosa and China. The island's capture would secure command of the East China Sea and provide land, air and naval bases for future operations against Japan. Landings began 1 April '45. Marine and Army units faced increasingly bitter Japanese resistance. Bad weather, rugged terrain, and a well-trained, resolute, defense force gave the Japanese an advantage that was overcome only by courage, ingenuity, and endurance of the highest order. By 21 June '45, after 10 weeks of exhaustive non-stop bloody combat, the island was declared secure. Over 7,000 Americans were killed, and 31,000 more were wounded. The Japanese lost 100,000 KIA, including many civilians who were caught in the fighting. 1989 reprint of 1955 edition done by the USMC Historical Branch. A Brand New Quality Book from a Full-Time Bookshop in business since 1992!.
