Electronic and Electrical Servicing: Consumer and Commercial Electronics

By Ian Robertson Sinclair, John Dunton

Taylor Francis Ltd, United Kingdom, 2007. Paperback. Book Condition: New. 2nd Revised edition. 242 x 188 mm. Language: English . Brand New Book. Electronic and Electrical Servicing provides a thorough grounding in the electronics and electrical principles required by service engineers servicing home entertainment equipment such as TVs, CD and DVD machines, as well as commercial equipment including PCs. In the printed book, this new edition covers all the core units of the Level 2 Progression Award in Electrical and Electronics Servicing (Consumer/Commercial Electronics) from City Guilds (CG 6958), plus two of the option units. For those students who wish to progress to Level 3, a further set of chapters covering all the core units at this level is available as a free download from the book's companion website or as a print-on-demand book. The book and website material also offer a fully up-to-date course text for the City Guilds 1687 NVQs at Levels 2 and 3. The book contains numerous worked examples to help students grasp the principles. Each chapter ends with review questions, for which answers are provided at the end of the book, so that students can check their learning. Level 2 units covered in the...
