The book is great and fantastic. It is written in straightforward words and phrases rather than difficult to understand. You won't really feel monotony at any time of your respective time (that's what catalogues are for regarding should you question me).

Guernica Editions, Canada, Canada, 2014. Paperback. Book Condition: New. 196 x 122 mm. Language: English . Brand New Book. Anticipation and awareness bud at the start of a new life and bloom with the wondrous changes that ensue. These lyrical narrative poems rejoice at the insights, emotions, and development of a newborn and her family over a brief period of years. Crafted with an artist's eye and poet's appreciation for the profound that nestles within the mundane, this collection shimmers with reverence and clarity. The trajectory of the poems shudders and shifts when the young girl's father falls ill. With unflinching honesty and compassion, Nudelman gently unwraps luminous, triumphant moments in life's circle of birth, growth, and mortality.
