Brand New Book ***** Print on Demand *****.From the Editors: Prometheus versus Zeus-that is the fundamental characteristic of the world situation today, and the outcome of that battle in the short term will determine whether the planet undergoes another Dark Age of mass depopulation and death, or goes into a New Renaissance for all mankind. In modern terms, that conflict is represented by the commitment to a scientific world outlook, epitomized in the consolidation of the BRICS nations, versus the British imperial system which is driving the world toward war and collapse. We feature one of the most stunning examples of the Promethean impulse on the planet, the Egyptian mobilization for a New Suez Canal (Feature). This particular project is only part of the shift underway-and we will continue the story in a followup article on the agricultural project planned to conquer the desert. But Egypt is only a small part of the story. Our Economics lead on the BRICS motion over the past two weeks shows just how rapidly the new constellation for cooperation among nations is coming into being. And there will be...
