# ANXIETY MANAGEMENT

2002. Hardcover. Book Condition: New. 360 Anxiety is viewed in this book from different angles-as a result of faulty social learning, determined by unconscious drives and conflicts, resulting from stressful life events, fermenting out of conflicting decision making situations, as a product of existential philosophy, as a resultant of the inconsistencies and contradictions within the self-concept of the person, as an outcome of the pathologies in the social concept, resulting from the high achievement expectations, as a result of reactivation...
