Springer. Paperback. Book Condition: New. Paperback. 415 pages. Dimensions: 9.3in. x 6.1in. x 1.0in. The AFRICACRYPT 2008 conference was held during June 11-14, 2008 in Casablanca, Morocco. Upon the initiative of the organizers from the Ecole nationale supérieure in Casablanca, this event was the first international research conference in Africa dedicated to cryptography. The conference was honored by the presence of the invited speakers Bruce Schneier, Jacques Stern, and Alexander W. Dent who gave talks entitled The Psychology of Security Modern Cryptography: A Historical Perspective and A Brief History of Provably-Secure Public-Key Encryption, respectively. These proceedings include papers by Bruce Schneier and by Alexander Dent. The conference received 82 submissions on November 24, 2007. They went through a careful doubly anonymous review process. This was run by the iChair software written by Thomas Baigneres and Matthieu Finiasz. Every paper received at least three review reports. After this period, 25 papers were accepted on February 12, 2008. Authors then had the opportunity to update their papers until March 13, 2008. The present proceedings include all the revised papers. At the end of the review process, the paper entitled An Authentication Protocol with Encrypted Biometric Data written by Julien Bringer and Hervé Chabanne was...

### Reviews

*It is easy to read through easier to fully grasp. It had been written very completely and useful. I am pleased to let you know that here is the greatest book we have read during my personal life and could be the very best book for possibly.*

-- Miss Marge Jerde

*It is really a remarkable publication I actually have possibly study. It usually is not going to cost excessive. It has been written in an exceedingly basic way and is particularly only right after I finished reading this publication through which basically transformed me, affected the way I think.*
