An innocent beauty looking for answers turns to a detective looking for vengeance One day. One town. Three missing women. Things like this didn't happen in Culpepper. Now a detective, Braydon can't help but notice the eerie similarities between the two crimes. But he has to focus on the present and keep distractions to a minimum. Distractions like Sophia Hardwick, who crashes into town like a Florida thunderstorm, demanding to know where her missing sister is. The attraction between them is nearly his undoing.
