B Jain Publishers Pvt Ltd. Paperback. Book Condition: new. BRAND NEW, Dreams & Their Homoeopathic Medicine, P. Sivaraman, This book is highly informative for the homoeopathic prescriber because for a homoeopath, dreams are one of the important guiding symptom of the case. They give us a far better insight into deeper nature of our patient than many of the so-called symptoms that crop up and float on our face to meet our superficial gaze. A special study of dreams with their remedy is essential for the selection of the right remedy. The initial part of the book contains individual drug-wise descriptions of their specific dreams and second part contains different kinds of dreams with all the medicines covering them.
