

The Strain

By Guillermo del Toro, Chuck Hogan

HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, The Strain, Guillermo del Toro, Chuck Hogan, High-concept thriller with a supernatural edge from world-famous director, whose films include Pan's Labyrinth and Hellboy. A plane lands at JFK and mysteriously 'goes dark', stopping in the middle of the runway for no apparent reason, all lights off, all doors sealed. The pilots cannot be raised. When the hatch above the wing finally clicks open, it soon becomes clear that everyone on board is dead - although there is no sign of any trauma or struggle. Ephraim Goodweather and his team from the Center for Disease Control must work quickly to establish the cause of this strange occurrence before panic spreads. The first thing they discover is that four of the victims are actually still alive. But that's the only good news. And when all two hundred corpses disappear from various morgues around the city on the same night, things very rapidly get worse. Soon Eph and a small band of helpers will find themselves battling to protect not only their own loved ones, but the whole city, against an ancient threat to humanity.

Reviews

This ebook can be worthy of a read, and much better than other. I have read and i am certain that i am going to planning to go through again once again in the future. You may like just how the writer compose this book.

-- **Mr. Grant Stanton PhD**

A whole new eBook with an all new standpoint. It is actually rally fascinating throgh reading through time period. You wont truly feel monotony at anytime of your own time (that's what catalogues are for relating to when you request me).

-- **Claire Bartell**
