Parking Structures

By Chrest, Anthony P. / Smith, Mary S.

Book Condition: New. Publisher/Verlag: Springer, Berlin | Planning, Design, Construction, Maintenance and Repair | Drawing on the combined expertise of three of the world's leading parking structure experts, this updated edition provides the only single-source guide to planning, designing, and maintaining parking structures. It provides readers with design solutions, including material on how to ensure long-term durability, design for easy maintenance, select the most energy efficient lighting system, decide on the number and placement of entrances and exits, and avoid the most common construction pitfalls. Reflecting recent advances in technological innovations, this volume features significantly revised material and contains five new chapters on the Americans with Disabilities Act, lighting, graphics, seismic design, and designing for maintenance. The Second Edition of Parking Structures offers architects, engineers, parking facility owners, and contractors a unique and comprehensive guide to designing safe and effective parking structures. In addition, institutions providing education courses for professional registration in related fields will benefit from this timely, authoritative account. | Part I: Introduction. Background. Purpose. Parking structure peculiarities. Organization of the book. Part II: Functional design. Introduction. The level of service approach. Circulation systems. Parking geometrics. Flow capacity considerations. Putting it all together. Summary. References. Case study. Part III:...

Reviews

I actually started looking over this publication. It really is rally interesting throgh studying period. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Dana Hintz

Good electronic book and valuable one. It really is basic but unexpected situations in the 50 percent in the pdf. You wont really feel monotony at at any moment of your time (that's what catalogues are for concerning when you ask me).

-- Elisa Reinger
