Book Condition: New. Publisher/Verlag: Head of Zeus | A Tale from the Next Century | A terrifying novel, from one of our foremost scientific visionaries. Susan Greenfield asks: how will today's technology affect the future of our species? | It is many years since the human race gave up its individuality. Our world is now a place of technicolour, mechanical beauty. Iridescent domes sit upon the ruins of the previous civilization, and small figures wander constantly between them - dancing,...
